

SRJ Development, LLC
3482 McClure Avenue | West Lafayette, IN 47906

January 19, 2010

Mr. Chandler M. Poole
City of West Lafayette
Director of Development
609 West Navajo Street
West Lafayette, IN 47906

Dear Chandler:

Thank you for reviewing the tax abatement for SRJ Development, LLC, owner of LakeView Technology Center, 3482 McClure Avenue in the Purdue Research Park. Having the tax abatement is a major benefit to our tenants and allows us to pass the phased tax savings completely and directly to them over the period of the abatement.

As you know, the tax abatement for SRJ Development, LLC was approved by the City of West Lafayette on March 5, 2007. Since then, we have kept records of our activity on the tax abatement compliance and communicated regularly with appropriate city and county officials as well as those at Greater Lafayette Commerce.

As you know, we did not file our form 322 on time. This form needed to be filed ten days after we received our Form 11 which was to be sent to us upon building completion. There seems to have been enough communication about the other necessary forms, but the Form 11 did not arrive until January 2009, and somehow the 322 was overlooked.

We would ask for the City's consideration to waive the form 322 filing to keep our tax abatement on track as scheduled from the original start date. We certainly apologize for any part that we played in getting off track and very much appreciate our partnership with the City of West Lafayette.

Best Regards,

Stephen H. Shook
